ADVANCED NETWORKS

Your Technology Firm

 Advanced Networks LLC

CLOUD MANAGEMENT

Online Strategic Services

Advanced Networks has been designing and implementing cloud solutions for the West Coast since 2008. Clients rely on our expertise to assess their options and, if the cloud aligns with their objectives, recommend solutions and ensure a smooth cloud integration. The Cloud is actually SAFE to ride on, let us be your guide.

Services

- ▶ *Virtualization*
- ▶ *Cloud Assessment & Roadmap*
- ▶ *Global File Sharing*
- ▶ *Cloud Migration and Orchestration*
- ▶ *E-Commerce and Online Sales Apps*
- ▶ *Managed Cloud Computing*
- ▶ *Hybrid Server and Security*

PROJECT PLANNING

Technology Design & Infrastructure

IT changes quickly second by second. CIOs and business executives have more choices for tools and services than ever before, but deciding what's right for your business (and budget) is more difficult than ever. Whether you need a hand with your current project, or you're looking for help with your overall IT strategy, we can help.

Advanced Networks helps you succeed with...

- ▶ *Technology Management and Upgrades*
- ▶ *Infrastructure and Design*
- ▶ *Documented Project Planning and Technology Staging*
- ▶ *Re-Branding and SEO Management*
- ▶ *Online launching and Social Media Mgmt*
- ▶ *Strategic Planning and Training*
- ▶ *Technology Seminars and Marketing*
- ▶ *Film Studio Production and Live Stream*

MANAGED SERVICES

Onsite and Offsite Support

Organizational effectiveness is the key to successfully putting your strategy into action, and your IT infrastructure plays a major role in this process. Even the best companies struggle when they don't have the tools and support they need to properly execute.

With managed IT services from Advanced Networks, you have someone who knows your business and your goals, understands how you work, and is regularly working to find new ways to help you succeed. You have peace of mind that this critical business responsibility is taken care of, so that you can focus on what's most important to you: running your business. We Provide:

- ▶ *Remote and Onsite Management*
- ▶ *Full 24x7 Support*
- ▶ *Scaled to fit your Business Model*
- ▶ *Giving you Peace of Mind over your Technology Infrastructure*
